Booth #	Company	Description
13	3COM	
29	ACT, Inc	ACT is an independent, not-for-profit organization that provides more than a hundred assessment, research, information, and program management services in the broad areas of education and workforce development.
2/3	Adams State College	Adams State College is one of Colorado's educational leaders in providing professional development opportunities, degree completion programs, customized certificate programs as well as independent study and online courses.
22	Aitken Educational Specialties	We are suppliers of instructional products (Pre-K thru 8), school and library furniture, AV equipment, and scoreboards.
11	Assessment Technology, Incorporated	Assessment Technology Incorporated through Galileo K-12 Online provides an easy-to-use, fully integrated educational management system that combines the strength of research and the power of innovation to assist educators in promoting student mastery of local and state standards. Galileo's patented technology provides customized benchmark, formative, interim/end-of-course, curriculum-based, and placement assessments.
24	Blackboard	Blackboard is the recognized standard for delivering the most effective and efficient e-Learning solutions to the K-12 community. Blackboard provides an integrated software platform designed for the K-12 learning community to enable educational innovations everywhere by connecting people and technology. Blackboard currently powers learning in over 1,400 US schools and districts.
5	Blythe Group + Co	Blythe Group + Co. is a full service architecture/ interior design and project management firm. We have saved school districts time and money with our team of experts.
30	CEBT	CEBT provides medical, dental, vision and life coverage for 78 of Colorado School Districts. Coverage is available both as voluntary and employer paid.
33	Colorado Association for School-Based Health Care	We're a non-profit that helps districts and healthcare providers with starting and maintaining a School-Based Health Center. We provide training, technical assistance, and quality improvement.
8	Colorado Courseware	Sells and supports the A+nyWhere Learning System®, research-based K-12 curriculum and assessment solution. This CO Standards aligned solution is deliverable via LAN/WAN, Internet, and Self hosted Web-based. WOW! One Courseware Product, Countless Solutions
26	Colorado Online Learning	COL partners with districts by offering online courses taught by highly-qualified teachers to enhance curriculum, resolve scheduling conflicts and provide dual credit opportunities to students.
9	Colorado PERA	The retirement plan of choice for all public employees in Colorado.
38	Common Ground	Language Solutions Company focused on helping School Districts and Educators close the achievement gap in their Spanish-only students.
10	CompassLearning	CompassLearning's educational software personalizes the learning experience for each student. Powerful curriculum, management, reporting, and assessment, combined with comprehensive services, ensure student and educator success.
40	CTB/McGraw-Hill	Founded in 1926, CTB/McGraw-Hill is the leading provider of high-quality assessment products and services helping learners of all ages meet their potential.

20	Daktronics	Daktronics offers the most complete line of scoring and timing systems which includes electronic message centers, large screen video displays, scoreboard hoists and sound.
12	Education 2020	Traditional education with technology through a web based platform provides opportunities for all students to engage in the learning process. Aligned to all state standards in all subject areas for core curriculum, credit recovery, intervention, and test preparation.
7	EMC Engineers, Inc.	Since 1976, EMC has specialized in Energy Savings Performance Contracting (ESPC), commissioning, retro-commissioning, facility design, sustainable design, design/build, water management and energy services.
34	Focal Point Stool LLC	We represent a new product that helps students focus in the classroom. This "stool" allows students to stay active without distracting the learning of others.
37	GE Johnson Construction Company	GE Johnson is a full service General Contractor specializing in Education, Healthcare, Hospitality, Advanced Technology, Office, Cultural and Correctional Facilities. GEJCC is headquartered in Colorado Springs and has offices in Denver and Jackson, Wyoming.
31	Get Away Today Vacations	Get Away Today Vacations is a FREE program that helps your students' families save BIG on their vacation destinations. With every vacation booked a donation is made back to your school. Call 877- JOIN-GAT (564-6428).
15/16	Hellas Construction	Full service specialty contractor of track and field construction.
6	Horace Mann Insurance Companies	Founded by educators in 1945, for the benefit of educators, Horace Mann continues to help educators through a lifetime of changing needs with its personal service.
13	IBM	
17	ISC	ISC is a provider of advanced technology solutions, from the classroom to the technology infrastructure of education facilities. Our focus is on customer success of technology implementation and integration.
25	John Baylor Test Prep	John Baylor Test Prep is a High School's ACT Prep partner, increasing a school's average score 1 to 3 points through affordable, online ACT Prep.
13	Lenovo	The Power of Ideas. Everything starts with an idea. Lenovo PCs help bring them to Life. We design innovative and exciting PC products.
18	Lightspeed Systems	Partnering with schools to ensure a safe online learning environment.
32	Lightspeed Technologies, Inc.	The New Sound of Achievement® Check out the new all-in-one REDCAT. This quick-set system saves the teacher's voice and raises academic achievement. Free evaluations available.
27	Netchemia, LLC	Netchemia provides web-based software to K-12 districts across the nation: netIEP®, Special Education Management; netRTI™, Response to Intervention Management; SchoolRecruiter™, Applicant Tracking and Hiring Management.
19	Purifan, Inc.	Purifan Inc. provides the patented ceiling mounted Purifan Clean Air System, keeping students and teachers in the classroom by reducing sick days caused by asthmas related respiratory illnesses. Purifan filters the air approximately 40 times per hour providing improved indoor air quality in the classroom and reducing odors.
36	Renaissance Learning	Renaissance Learning's tools provide daily formative assessment and periodic progress-monitoring technology to enhance curriculum, support differentiated

		instruction, and personalize practice in reading, writing, and math.
1	Rocky Mountain Microfilm and Imaging	Any Document, Any Where, Any Time converts all paper and microfilm to electronic documents. 7 file cabinets fit on 1 DVD. Student records, AP and HR.
23	ScholarCentric	Scholar Centric is an organization focused on building academic resiliency and drop out prevention. Its flagship Success Highway, is used in districts across the country both as a diagnostic tool and curriculum.
38	SchoolFusion	SchoolFusion – 21st century technology solutions for K-12 education. An eRatable solution, easy to use, intuitive functionality, connecting administrators, teachers, students and parents.
41	Show What You Know Publishing	Our company produces CSAP test-preparation workbooks and flash cards for grades 3-10. We also sell research-based intervention workbooks for Reading, Writing, Mathematics, and Science.
13	Sirius	Backed by more than 27 years of IT experience, Sirius is a nationally recognized solution provider with a certified team of sales and technical professionals who have the skills, product knowledge and commitment to help clients develop and implement the right solutions to solve their business needs.
28	Spectrum Industries	Innovative Learning & Training Furniture: Manufacturer of Laptop Storage Carts, Instructional Media LECTERNS, Seating, Computer Lab, CAD, Flat-Panel and Office Furniture. Ergonomic, Modular, Durable, Attractive Designs. Made in the USA!
39	Sport Court of Colorado	Leader in sports flooring for gyms, dance, inline hockey, volleyball and outdoor courts. Official dealer for many sports equipment companies.
14	Texas Instruments	TI research-based technology for instruction and assessment, curricular materials and professional development combine to provide essential elements for greater student achievement in math and science. Visit education.ti.com .
35	The Neenan Company	The Neenan Company has completed over 60 projects for 30 Colorado school districts in the last 6 years, delivering faster schedule, lower cost and better quality buildings.
