

The CASE Center for Excellence in Educational Leadership presents

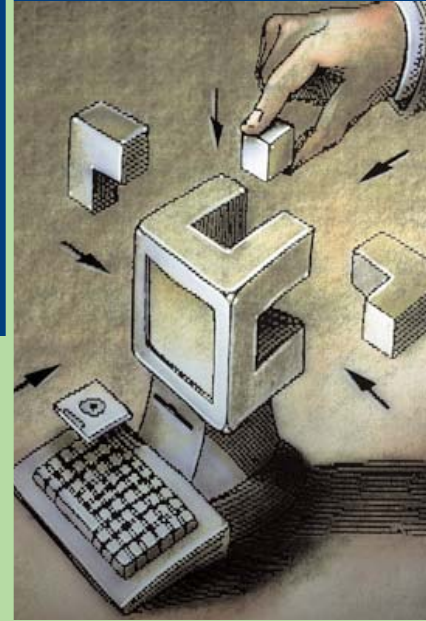

# CASE eLearning Webinar Series

## Technology in Education

ALL  
NEW!

### Statewide Broadband: What It Means for Your District

Complimentary for CASE Members

**Facilitator:** Denise Shorey, EAGLE-Net

*“Why is everyone talking about Broadband?”*

*“What does it mean for the students in my district and when will these changes occur?”*

Join Denise Shorey during this Webinar to learn the answers to these questions and more.

#### Did you know?

- The need for Broadband connectivity in schools will increase more than 700% by the year 2011.
- Colorado districts average less than half the national average bandwidth and is one of only 12 states not offering Internet2 connectivity to K-12 schools and districts across the state.

#### This Webinar will cover the latest information about the Broadband initiative efforts in Colorado:

- What Broadband means for education and why schools need it
- Broadband in the United States compared to Colorado
- Who is collaborating on Broadband in Colorado
- Funding and cost-savings for statewide Broadband
- The timeframe for implementing statewide connectivity
- An explanation of EAGLE-Net
- Components of a Broadband connection for school districts
- Suggestions for how school administrators can help support this effort
- Next steps

#### Registration

Member fee: Complimentary
